Account management gadget

The **Account management** gadget is available in Planon Cloud environments and provides an overview of the customer's Planon Cloud account and environment details.

From this gadget, authorized users can view information such as:

- The Planon Cloud account and associated environments;
- License and subscription information;
- Possibly links/provisions to extend licenses or contact Planon.

Environment-level details relevant to the account:

- Which environments belong to this account
- High-level usage or capacity info (complementary to Environment Management gadget).

The Account management gadget is **only available for Planon Cloud**; it is not installed or supported for on-premise environments (Dev, Test, Acc, Prod).
